NOTICE OF MEDICARE COVERAGE FOR CHIROPRACTIC CARE

Your Medicare coverage of chiropractic care is limited. It does not pay for all services. It will only pay for your chiropractic adjustment (manipulative treatment) when it meets Medicare's specific rules. There are three categories of Medicare services: 1) non-covered 2) always-covered, and 3) perhaps-covered.

NON-COVERED SERVICES

According to existing Medicare law, most of the services in our office are NON-COVERED. Hopefully, the U.S. Congress will change that someday and treat Doctors of Chiropractic like all other doctors. Until then, here is a summary:

Examples of Non-Covered Services

All Services Other than Chiropractic Adjustments:

- Office Visits - to evaluate and manage, re-evaluate, advise, or give counsel regarding your health.
- Physiotherapy - such as massage, traction, electrical stimulation, neuromuscular re-education, etc.
- X-rays, Laboratory, Supplies, Vitamins, etc.

Various Chiropractic Adjustments or Treatments:

- Non-spinal manipulation to the shoulder, arm, leg, etc.
- Maintenance Care - you are stable and not making any more improvement.
- Wellness Care - to promote better health.

ALWAYS-COVERED SERVICES

A Medicare COVERED service is for when you are injured or when you are in pain due to a bad spinal condition. Medicare pays for your rehabilitation as long as you are improving. This phase of care is call "active treatment." It will be shown on your Medicare claim form and payment reports with your service code. For example, "98940-AT."

PERHAPS-COVERED SERVICES

Your Chiropractic Adjustment must be clinically needed to correct a problem of the spine, according to Medicare rules. If Medicare determines that your condition is not "Medically Necessary" they will not pay. When we know or believe that your chiropractic adjustment is no longer covered, we will discuss this matter with you. We will also give you a Medicare form known as the Advance Beneficiary Notice (ABN) which will show your financial obligation for continued care.

Our clinic will call your insurer to verify your benefits, however, we are not responsible for your insurer's final payment and benefit determinations.
